## WINTER 2023 NEWSLETTER

### Happy Tail Dog Park 2024 Annual Permits

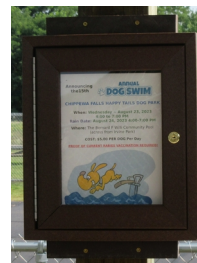

As the holiday seasons have passed and 2023 is here, I would like to thank every one of you for creating a wonderful community for our four-legged-friends to enjoy. Their happiness is ever apparent, whether in the car arriving or in the park running with their new friends.

With January around the corner, I'm happy to announce **the permit for 2024 is ready if your pet and you are.** To get a **2024 tag**, fill out an application and take it and proof of license and rabies vaccination for each dog to the Police Department or Parks and Rec. **They will issue a Purple Aluminum Dog Tag for each dog to wear for next year.**

**NOTE:** Due to the high fees charged by banks for bounced checks, we only accept **Venmo or Cash.**

**The success of Happy Tails Dog Park has been a volunteer effort that we hope continues to grow.** This year the park saw changes despite the continuing pandemic and inflation. We finished our projects for 2023 by **putting in the mini-pavilion in the large dog park, replacing the wooden tables in the handicap area of the bowl with two hex recycled plastic tables, adding a mini-bulletin board in the small dog park, and by surrounding the cement pad with rocks to better winterize and protect the area during the cold season.**

**Our 2024 goals** are to rock-in the area under the bulletin board for easier maintenance. And if time and money permits, we hope to brick in the area at the park's entrance.

We are always looking for volunteers to help keep the operations of the park running smoothly. From emptying the poop cans or picking up trash, your help can keep our outdoor arena beautiful.

We are still collecting aluminum cans in the large cage by the big front drive through gate. The proceeds for these, along with the daily fees and annual permits help pay for the operations and annual maintenance of the park. **Thank you for thinking of Happy Tails Dog Park when recycling!**

2023 – \$800.10

Final Amazon Charitable Donation in 2023 totaled \$245.36
